

Animation Concept & Innovation Development Fund Application Form

As part of a further Stimulus Support Package made available for Animation, **Screen Ireland / Fís Éireann** in partnership with **Animation Ireland** has allocated €400,000 in funding that will be invested in new innovative, high concept development and business growth opportunities within the Animation sector. The agencies are committed in their ambition to highlight Ireland as a centre of excellence in Animation and investing in a diverse and broad range of talent, genres, formats and business growth potentials, ensuring high-value national and international success.

Concept and Innovation Development can include the preparation of new hybrid formats, introduction of new technological workflows, extending genre ambitions outside the current workflow, supporting new business models and plans for growth within the sector and targeting new areas of artistic and creative endeavour (such as Gaming & Immersive Technologies) which investment allows.

Please see Call for Applications for further details and guidance.

Data Protection

Screen Ireland is required to collect data, including certain personal data, to process your application. Screen Ireland is committed to protecting and respecting your privacy, and will therefore ensure that all information that you provide to us is safeguarded. Screen Ireland only requests data that is required for a legitimate purpose and for which we have a valid legal basis to process which is to facilitate the processing of your application. Screen Ireland requests that you do NOT send personal data on yourself or third parties, associated with your application, that has not been requested, or that you have not acquired permission to use. The data may be used for statistical purposes. The data collected may be stored, processed and passed in confidence to or shared with third parties, individuals or organisations, who are helping us assess applications or monitor funding. We require all such third parties to enter into a data processing agreement with us, which complies with our obligations under the new EU General Data Protection Regulation (GDPR). This processing agreement requires such third parties to have appropriate data security systems in place and only to use your personal data on our instructions and in accordance with data protection law.

All personal data information will be treated in accordance with the GDPR and associated data protection laws. You have rights under the GDPR including the right to ask for a copy of your personal data information held by Screen Ireland and the right to require Screen Ireland to correct any inaccuracies in your personal data.

I consent to the data provided being processed for the purposes outlined above.
