

WILL SLINEY

THE
ARTIST!

As the world's most successful how to draw artist with 2 TV shows in production, Will Sliney also manages to be one of the most successful and in demand comic book artists of all time with over a decade with Marvel, DC, Star Wars among others, and is frequently the star artist for signings at the biggest Comic Cons like New York & London.

His creator owned comic Shrouded College was optioned by Peacock / Universal, with Seth MacFarlane and Fuzzy Door producing.

He has designed theme park rides for Disney World's Star Wars Galaxy's Edge ride, created new characters now part of Star Wars canon, designed ultra rare Batman statues for Prime 1, launched how to draw apps, is an avid gamer/streamer and a brand ambassador for Sony PlayStation and was chosen to launch Marvel's first ever official Twitch channel.

He has a permanent mural on the wall of Everton's Goodison Park.
